

OHSAS 18001 HEALTH & SAFETY POLICY

Dew Piling is a subsidiary of Lagan Holdings Ltd. The Company provides a wide range of piling services and operates in the United Kingdom and North and South of Ireland. The Main office is in Oldham, England.

The Company has established a Health and Safety Management System designed to comply with the requirements of the OHSAS 18001:2007 standard in accordance with the Lagan Group Health & Safety Policy.

The Health & Safety Officer will be responsible for ensuring implementation and maintenance of the system and reports directly to the Managing Director.

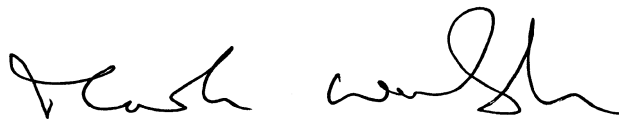

The Company is committed to complying with all applicable health and safety legislation, regulations and any industry based best practices. To this end the Company has produced and will maintain a register of legislation and has subscribed to a third party organisation to ensure that all new and updated items of legislation are updated and controlled on a continual basis.

The Company is committed to continual improvement and will set itself health and safety related targets and objectives. These targets and objectives will where possible be quantitative. The targets and objectives will be reviewed at least every six months and will be modified from time to time in order to affect a process of continual improvement. Targets and objectives established will cover all aspects of the Company's activities and will aim to improve the health and safety performance of the Company.

The Company will implement, maintain and will communicate this policy to all employees and will ensure that sub contractors used by the Company will be fully aware of this policy.

This policy will also be made available to the public and any other interested parties and will be placed on www.dewpiling.com

The policy will be reviewed at least annually or at any other time deemed necessary to ensure its continued relevance.
